INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of Chadwick Apartments, Inc.
(A North Carolina Not-For-Profit Corporation)

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Chadwick Apartments, Inc., which comprise the statements of financial position as of June 30, 2023 and 2022, and the related statements of profit and (loss) - changes in net assets, changes in net assets, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements present fairly, in all material respects, the financial position of Chadwick Apartments, Inc. as of June 30, 2023 and 2022, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Chadwick Apartments, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Change in Accounting Principle

As discussed in Note 1 to the financial statements, Chadwick Apartments, Inc. adopted the Leases topic of the FASB ASC 842 during the year ended June 30, 2023. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Chadwick Apartments, Inc. Page 2

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Chadwick Apartments, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance, and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances, but not for the purpose of expressing an
 opinion on the effectiveness of Chadwick Apartments, Inc.'s internal control. Accordingly, no
 such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Chadwick Apartments, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Chadwick Apartments, Inc. Page 3

Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplementary information is presented for the purposes of additional analysis as required by the *Uniform Financial Reporting Standards* issued by the U.S. Department of Housing and Urban Development, Office of the Inspector General, and is not a required part of the financial statements. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* ("CFR") Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated August 4, 2023, on our consideration of Chadwick Apartments, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Chadwick Apartments, Inc.'s internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Chadwick Apartments, Inc.'s internal control over financial reporting and compliance.

NOTES TO FINANCIAL STATEMENTS YEARS ENDED JUNE 30, 2023 AND 2022

NOTE 1-ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

ORGANIZATION

Chadwick Apartments, Inc. (a North Carolina Not-For-Profit Corporation) (the "Corporation") was organized to develop, own and operate a 41-unit apartment community in Garner, North Carolina, known as Chadwick Apartments (the "Community"), pursuant to Section 202 of the Housing Act of 1959, as amended. The Corporation has entered into the standard Federal Housing Administration ("FHA") regulatory agreement (the "Regulatory Agreements") governing the operation of the Community with the FHA section of the Department of Housing and Urban Development ("HUD"). The Corporation leases apartment units to low income families (or persons) in the normal course of business. The terms of the leases are generally one year.

In addition, the Corporation has entered into a Project Rental Assistance Contract ("PRAC") Agreement. The PRAC is a rent assistance program for low-income families (or persons). Eligible low-income residents pay 30% of their income as rent, while HUD pays the difference between this rental amount and "contract rent" (as defined). The Corporation can request from HUD an amount equal to 50% of contract rent during periods that the unit is vacant if certain conditions are met, but not to exceed 60 days ("Special Claim"). If a unit continues to be vacant after the 60-day period, the Corporation may submit a claim and receive additional housing assistance payments on a semiannual basis, if certain conditions are met, as outlined in the PRAC. The PRAC is for 40 units, which does not include a non-revenue producing unit, and expires January 31, 2024.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of preparation of the financial statements

The primary intent of the financial statements is for the U.S. Office of Management and Budget. The financial statements will also be used by HUD; therefore, the presentation and account descriptions have been established to conform to their reporting guidelines. In addition, the financial statements are in conformity with the provisions required by the Not-for-Profit Entities Presentation of Financial Statements topic of the Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 958-205. This statement established standards for external financial reporting for Not-for-Profit Organizations.

The Not-for-Profit Entities Presentation of Financial Statements topic of the FASB ASC primarily affects the display of the financial statements and requires that the amounts for each of two classes of net assets - with or without donor restrictions be displayed in an aggregate statement of financial position and the amounts of change in each of those classes of net assets be displayed in a statement of changes in net assets. All assets held by the Corporation at June 30, 2023 and 2022 are classified as without donor restrictions.

The financial statements report certain categories of expenses that are attributable to one or more programs or supporting services of the Corporation. All revenue and expenses relates to the operating costs of the multi-family Property except for Administrative Expenses in the Statement of Profit and (Loss) - Changes in Net Assets are deemed program expenses. All administrative expenses represent supporting services.

NOTES TO FINANCIAL STATEMENTS YEARS ENDED JUNE 30, 2023 AND 2022

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

New accounting pronouncements

In February 2016, the FASB issued Accounting Standards Update (ASU) 2016-02, Leases, which requires the lessee to recognize assets and corresponding lease liabilities on the Statements of Financial Position. The standard was effective for year-ends beginning for the Corporation on July 1, 2022. The adoption of the lease standard did not have a material impact on the financial statements.

Cash

For the Statements of Cash Flows, all unrestricted investments with original maturities of three months or less are cash equivalents. As of June 30, 2023 and 2022, cash consists of an unrestricted checking and petty cash account.

Resident receivable and bad debt policy

Resident rent charges for the current month are due on the first of the month. Residents who are evicted or move-out are charged with damages or cleaning fees, if applicable. Resident receivables consist of amounts due for rental income or the charges for damages and cleaning fees. The Corporation does not accrue interest on the resident receivable balances.

Resident receivables are charged to bad debt expense when they are determined to be uncollectible based upon a periodic review of the accounts by management. Accounting principles generally accepted in the United States of America require that the allowance method be used to recognize bad debts; however, the effect of using the direct write-off method is not material to the financial statements for the years ended June 30, 2023 and 2022. Bad debts expensed for the years ended June 30, 2023 and 2022 totaled \$135 and \$125, respectively.

Property and equipment

Depreciation of property and equipment, stated at cost, is computed primarily using the straight-line method over the estimated useful lives of the assets ranging from 5-40 years. Costs that are deemed to increase the useful life of the property or equipment are capitalized. When assets are sold or otherwise disposed of, the costs and related reserves are removed from the accounts, and any resulting gain or loss is included in operations.

The Corporation is subject to the provisions of the Impairment or Disposal of Long-Lived Assets topic of the FASB ASC 360-10. Impairment or Disposal of Long-Lived Assets has no retroactive impact on the Corporation's financial statements. The standard requires impairment losses to be recorded on long-lived assets when indicators of impairment are present and the undiscounted cash flows estimated to be generated by those assets (excluding interest) are less than the carrying amount of the assets. In such cases, the carrying value of assets to be held and used are adjusted to their estimated fair value and assets held for sale are adjusted to their estimated fair value less selling expenses. No impairment losses were recognized during the years ended June 30, 2023 and 2022.

NOTES TO FINANCIAL STATEMENTS YEARS ENDED JUNE 30, 2023 AND 2022

Rental income

Rental income is recognized as rents become due. Rental payments received in advance are deferred until earned. All leases between the Corporation and the residents of the Community are operating leases under FASB ASC 842 and are not within the scope of FASB ASU 2014-09.

Grant income

Proceeds from the Green Retrofit Program for Multifamily Housing Grant have been received in full, and income was recognized during the year ended June 30, 2011.

Advertising costs

Advertising costs are expensed as incurred and are included in advertising and marketing in the Statements of Profit and (Loss) - Changes in Net Assets.

Property taxes

The Corporation has received an exemption from real and personal property taxes.

Concentration of credit risk

The Corporation deposits its cash in financial institutions. At times, deposits may exceed federally insured limits. The Corporation continuously monitors the financial strength of each institution, and has not experienced any losses in such accounts.

The rental income from the PRAC Contract totaled \$116,069 and \$130,131 or 43% and 49% of the net rental revenue for the years ended June 30, 2023 and 2022, respectively. The PRAC Contract is subject to annual appropriations to HUD from Congress.

The Corporation's operations are concentrated in the multifamily real estate market. In addition, the Corporation operates in a heavily regulated environment. The operations of the Corporation are subject to the administrative directives, rules and regulations of federal, state, and local regulatory agencies, including but not limited to, HUD. Such administrative directives, rules and regulations are subject to change by an act of Congress or an administrative change mandated by HUD. Such changes may occur with little notice or inadequate funding to pay the related cost, including the additional administrative burden, if any, to comply with a change.

Use of estimates in the preparation of financial statements

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTES TO FINANCIAL STATEMENTS YEARS ENDED JUNE 30, 2023 AND 2022

Fair value

The Corporation is subject to the provisions of the Fair Value Measurement topic of the FASB ASC 820-10 which provides guidance for assets and liabilities which are required to be measured at fair value and requires expanded disclosure for fair value measurement. The standard applies whenever other standards require or permit assets or liabilities to be measured at fair value and does not require any new fair value measurements. The Fair Value Measurement did not have a material impact on the Corporation's financial statements for the years ended June 30, 2023 and 2022.

Accounting for uncertainty in income taxes

The Corporation is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code and state income tax and has been classified as an other than private foundation. Accordingly, no provision for federal and state taxes on revenue and income has been recognized in the accompanying financial statements. Generally, the Federal and State tax returns were subject to examinations from the three years after the later of the original or extended due date or the date filed with the applicable tax authority.

Subsequent events

Management performed an evaluation of the Corporation's activity through August 4, 2023, the audit report date, and has concluded that there are no significant subsequent events requiring disclosure through the date these financial statements were available to be issued.

NOTE 2-HUD CAPITAL ADVANCE NOTE

The Corporation has entered into a Capital Advance Program Mortgage Note (the "Note") for a capital advance in the amount of \$2,148,300; all the funds were drawn during construction and remain outstanding. The Note bears no interest and repayment is not required as long as the housing project remains available for very low-income elderly and handicapped individuals in accordance with Section 202 of the Housing Act of 1959, as amended, and the PRAC and is operated in accordance with the Regulatory Agreement and HUD Regulations. The Note is secured by the mortgage upon the land, building and equipment and other amounts held by the Corporation.

The debt evidenced by this Note may not be prepaid prior to the maturity date of March 1, 2034, without the prior written approval of HUD. Provided (1) the housing project has remained available for occupancy by eligible families for no less than 40 years; and (2) the Note has not otherwise become due and payable by reason of defaults under the Note, mortgage or Regulatory Agreement through that date, the Note shall be deemed to be paid and discharged. If a default occurs under the terms of this Note, mortgage, the Regulatory Agreement or the regulations, at the option of the holder of this Note, the entire principal and interest at 7.75% should at once become due and payable without notice.

The liability of the Corporation under the mortgage loan is limited to the underlying value of the property and equipment collateral in addition to other amounts on deposit.

NOTES TO FINANCIAL STATEMENTS YEARS ENDED JUNE 30, 2023 AND 2022

NOTE 3-CASH DISTRIBUTIONS, RESIDUAL RECEIPTS, RESERVE FOR REPLACEMENTS FUND AND LIQUIDITY AND AVAILABILITY OF FINANCIAL ASSETS

Pursuant to the terms of the Regulatory Agreement, no cash distributions in excess of the annual incentive performance fee may be made to nonprofit owners, nor can they incur obligations on behalf of the community, to themselves or any officers, directors, stockholders, trustees, partners, beneficiaries under a trust, or any of their nominees without prior written approval of HUD. Residual receipts in excess of the annual incentive performance fee ("Surplus Cash") as defined by HUD, existing at the end of the fiscal year must be deposited in an interest bearing residual receipts fund in the name of the Corporation. The residual receipts fund is an asset of the Corporation held under HUD control. Withdrawals from the residual receipts fund may only be made with the approval of HUD for property purposes, including reduction of housing assistance payments. In accordance with the PRAC, if HUD determines at any time that community funds are more than the amount needed for community operations, reserve requirements and permitted distributions, HUD may require excess to be placed in an account to be used to reduce PRAC payments or for other community purposes. Upon termination of the PRAC, any excess funds must be remitted to HUD.

During the years ended June 30, 2023 and 2022, there were no required deposits, no expenditures and no amounts were remitted back to HUD from the residual receipts fund. At June 30, 2023 and 2022, the balance in the residual receipts fund is \$10,505 and \$10,262, respectively.

Pursuant to the terms of the Regulatory Agreement, the Corporation is required to make monthly deposits to the reserve for replacements fund. This fund is under the control of HUD. Disbursements from such fund may only be made for the purpose of effecting replacement of structural elements and mechanical equipment of the Community and after receiving the written consent of the Secretary of HUD. As of June 30, 2023 and 2022, the balance in the reserve for replacements account is \$396,284 and \$367,323, respectively.

Liquidity and availability of financial assets

The Corporation's liquidity and availability of cash flow is limited to surplus cash as defined by HUD. The Corporation manages its liquidity by completing annual operating budgets that provide sufficient funds for general expenditures in meeting liabilities and other obligations as they become due and maintains a reserve for replacements and residual receipts that may be drawn upon as needed during the year to manage cash flow and make necessary repairs to the Community with approval from HUD. The Corporation's cash and cash equivalents is available within one year of the statement of financial position date to meet cash needs for general expenditures.

NOTE 4-MANAGEMENT AGREEMENT

The Community is managed by Community Management Corporation (the "Agent"). In accordance with the management agreement, the Corporation pays an annual management fee of 11.31% of residential and miscellaneous income collected. During the years ended June 30, 2023 and 2022, the Agent earned management fees of \$31,029 and \$30,587, respectively. At June 30, 2023 and 2022, \$2,621 and \$2,636 remains payable, respectively.

NOTES TO FINANCIAL STATEMENTS YEARS ENDED JUNE 30, 2023 AND 2022

In accordance with HUD regulations, the Agent is also entitled to be reimbursed for the actual costs incurred for front-line management activities performed at the central office (as these activities are defined by HUD).

NOTE 5-GREEN RETROFIT GRANT

In September 2010, the Corporation entered into a Green Retrofit Commitment Plan and Retrofit Funding Agreement ("Retrofit Agreement") with HUD under the Green Retrofit Program for Multifamily Housing ("GRP"). The GRP is authorized by the American Recovery and Reinvestment Act of 2009. Under the Retrofit Agreement, the Corporation was awarded \$190,110 in GRP funds to cause certain retrofits, repairs and/or improvements to be made to the Community. Management completed the retrofits, repairs and/or improvements during the year ended June 30, 2011. The term of the Retrofit Agreement shall run from the closing date of September 2010 through February 2049. The Retrofit Agreement and related documents require the Corporation to operate the Community in accordance with the stated use requirements throughout the term. Noncompliance of the stated use requirements could subject the Corporation to liquidated damages or other remedies to the benefit of the GRP, or be considered an event of default under the Regulatory Agreement or PRAC. The Corporation received total grant proceeds of \$190,110, which were used to fund capital additions.

Incentive performance fee

During the use restriction period expiring in February 2049, the owner is entitled to receive a non-cumulative annual incentive performance fee in the amount of 3% of the property's annual effective gross income as defined in the Retrofit Agreement. The incentive performance fee is paid solely from available surplus cash as long as the Community is in compliance with all terms and conditions outlined in the Retrofit Agreement. If there is insufficient surplus cash to pay the fee, it shall not accrue. During the years ended June 30, 2023 and 2022, incentive performance fees of \$0 and \$5,924 were earned, respectively. At June 30, 2023 and 2022, \$0 and \$5,924 remains payable, respectively.

NOTE 6-COMMITMENTS AND CONTINGENCIES

Residual receipts fund

In accordance with the PRAC, if HUD determines at any time that residual receipt funds are more than the amount needed for Community purposes, HUD may require any excess to be remitted to HUD upon notice.

In accordance with HUD Memorandum issued June 19, 2015, upon termination of the PRAC residual receipt funds in excess of \$250 per unit must be remitted to HUD on an annual basis. Approved service coordinator costs are eligible to be withdrawn from residual receipts funds, upon HUD approval, not to exceed \$15 per unit per month. At the end of the Regulatory Agreement any funds remaining in the residual receipt fund must be remitted to HUD.

NOTES TO FINANCIAL STATEMENTS YEARS ENDED JUNE 30, 2023 AND 2022

Although the Corporation has adopted the policy to reflect a recapture liability equal to the excess of \$250 per unit, HUD has the right upon notice to request the entire residual receipt balance to be remitted to HUD; however, the Corporation does not believe this is likely. Any funds remaining in the residual receipts fund will be approved by HUD to be utilized for Community purposes.

As of June 30, 2023 and 2022, there was no excess of \$250 per unit. During the years ended June 30, 2023 and 2022, the loss due to recapture of residual receipts was \$0 and \$0, respectively. At June 30, 2023 and 2022, \$0 and \$0 remains payable, respectively.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors of Chadwick Apartments, Inc. (A North Carolina Not-For-Profit Corporation)

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Chadwick Apartments, Inc., which comprise the statement of financial position as of June 30, 2023, and the related statements of profit and (loss) - changes in net assets, changes in net assets, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated August 4, 2023.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Chadwick Apartments, Inc.'s internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Chadwick Apartments, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of Chadwick Apartments, Inc.'s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements, on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Chadwick Apartments, Inc. Page 2

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether Chadwick Apartments, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

August 4, 2023 Carmel, Indiana Dauby O'Connor & Zaleski, LLC Certified Public Accountants

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

To the Board of Directors of Chadwick Apartments, Inc.
(A North Carolina Not-For-Profit Corporation)

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited Chadwick Apartments, Inc.'s compliance with the types of compliance requirements identified as subject to audit in the *OMB Compliance Supplement* that could have a direct and material effect on each of Chadwick Apartments, Inc.'s major federal programs for the year ended June 30, 2023. Chadwick Apartments, Inc.'s major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, Chadwick Apartments, Inc. complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2023.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200 *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* ("Uniform Guidance"). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of Chadwick Apartments, Inc. and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of Chadwick Apartments, Inc.'s compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to Chadwick Apartments, Inc.'s federal programs.

Chadwick Apartments, Inc. Page 2

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on Chadwick Apartments, Inc.'s compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about Chadwick Apartments, Inc.'s compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and
 design and perform audit procedures responsive to those risks. Such procedures include
 examining, on a test basis, evidence regarding Chadwick Apartments, Inc.'s compliance with
 the compliance requirements referred to above and performing such other procedures as we
 considered necessary in the circumstances.
- Obtain an understanding of Chadwick Apartments, Inc.'s internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of Chadwick Apartments, Inc.'s internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Chadwick Apartments, Inc. Page 3

Report on Internal Control Over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

Purpose of This Report

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
