INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of
Roanoke Housing Development Corporation
(A North Carolina Not-For-Profit Corporation)

Report on the Audit of the Financial Statements

Opinions

We have audited the accompanying financial statements of Roanoke Housing Development Corporation, which comprise the statements of financial position as of June 30, 2022 and 2021, and the related statements of profit and (loss) - changes in net assets, changes in net assets, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Roanoke Housing Development Corporation as of June 30, 2022 and 2021, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Roanoke Housing Development Corporation and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Roanoke Housing Development Corporation's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance, and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Roanoke Housing Development Corporation's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Roanoke Housing Development Corporation's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

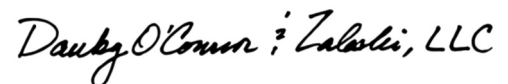

Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying supplementary information shown on pages 18 to 36 is presented for purposes of additional analysis as required by the *Uniform Financial Reporting Standards* issued by the U.S. Department of Housing and Urban Development, Office of the Inspector General, and is not a required part of the financial statements. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated August 19, 2022, on our consideration of Roanoke Housing Development Corporation's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Roanoke Housing Development Corporation's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Roanoke Housing Development Corporation's internal control over financial reporting and compliance.

**NOTES TO FINANCIAL STATEMENTS
YEARS ENDED JUNE 30, 2022 AND 2021**

NOTE 1-ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

ORGANIZATION

Roanoke Housing Development Corporation (a North Carolina Not-For-Profit Corporation) (the "Corporation") was organized to construct, own and operate a 33-unit apartment community in Raleigh, North Carolina, known as Roanoke Commons (the "Community"), pursuant to Section 202 of the Housing Act of 1959, as amended. Effective July 18, 2006, the original mortgage was refinanced under Section 207, pursuant to Section 223(f) of the National Housing Act, as amended. The Community consists of 32 units under the housing assistance payments contract ("HAP Contract") and one non-revenue producing unit. The Corporation has entered into the standard Federal Housing Administration ("FHA") regulatory agreement (the "Regulatory Agreement") governing the operation of the Community with the FHA section of the Department of Housing and Urban Development ("HUD"). The Corporation leases apartment units to low income families (or persons) in the normal course of business. The terms of the leases are generally one year.

Effective July 18, 2006, the Corporation combined with Club Plaza Apartments, an affiliated not-for-profit Corporation. Club Plaza Apartments owned and operated a 32 unit apartment community. Club Plaza Apartments entered into a regulatory and loan agreement in accordance with Section 202 of the National Housing Act. All assets, liabilities and net assets were contributed at the book value which approximated fair value.

The Corporation has entered into a HAP Contract with HUD. The current HAP Contract expires on January 10, 2035. The HAP Contract is a rent assistance program for low-income families (or persons) as provided by the Section 8 Program of the United States Housing Act of 1937, as amended. Eligible low-income residents pay 30% of their income as rent, while HUD pays the difference between this rental amount and "contract rent" (as defined). The Corporation can request from HUD an amount equal to 80% of contract rent during periods that the unit is vacant if certain conditions are met, but not to exceed 60 days. Claims must be submitted within 180 days of the date the unit was available for occupancy, and should be submitted only after the claim period has ended.

The HAP Contract, among other items, prohibits the sale, assignment, conveyance or transfer of the HAP Contract on all or any part of the Community without the prior consent of HUD.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of preparation of the financial statements

The primary intent of the financial statements is for the U.S. Office of Management and Budget. The financial statements will also be used by HUD; therefore, the presentation and account descriptions have been established to conform to their reporting guidelines. In addition, the financial statements are in conformity with the provisions required by the Not-for-Profit Entities Presentation of Financial Statements topic of the Financial Accounting Standards Board ("FASB") *Accounting Standards Codification* ("ASC") 958-205. This statement established standards for external financial reporting for Not-for-Profit Organizations.

**ROANOKE HOUSING DEVELOPMENT CORPORATION
(A NORTH CAROLINA NOT-FOR-PROFIT CORPORATION)**

**NOTES TO FINANCIAL STATEMENTS (CONTINUED)
YEARS ENDED JUNE 30, 2022 AND 2021**

**NOTE 1-ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES
(CONTINUED)**

Basis of preparation of the financial statements

The Not-for-Profit Entities Presentation of Financial Statements topic of the FASB ASC primarily affects the display of the financial statements and requires that the amounts for each of two classes of net assets - with or without donor restrictions - be displayed in an aggregate statement of financial position and the amounts of change in each of those classes of net assets be displayed in a statement of changes in net assets. All assets held by the Corporation at June 30, 2022 and 2021 are classified as without donor restrictions.

The financial statements report certain categories of expenses that are attributable to one or more programs or supporting services of the Corporation. All revenue and expenses relates to the operating costs of the multi-family Communities except for Administrative Expenses in the Statements of Profit and (Loss) - Changes in Net Assets are deemed program expenses. All administrative expenses represent supporting services.

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with the accounting principles generally accepted in the United States of America.

New accounting pronouncements

In February 2016, the FASB issued *Accounting Standards Update* ("ASU") 2016-02, *Leases*, which once implemented will result in lessees recognizing most leased assets and corresponding lease liabilities on the Statements of Financial Position. The standard is effective for year-ends beginning after December 15, 2021 and early adoption is permitted. The lease standard is not expected to have a material impact on the financial statements.

Cash

For the Statements of Cash Flows, all unrestricted investments with original maturities of three months or less are cash. As of June 30, 2022 and 2021, cash consists of unrestricted checking and savings accounts and a petty cash account.

Resident receivable and bad debt policy

Resident rent charges for the current month are due on the first of the month. Residents who are evicted or move-out are charged with damages or cleaning fees, if applicable. Resident receivables consist of amounts due for rental income or the charges for damages and cleaning fees. The Corporation does not accrue interest on the resident receivable balances.

Resident receivables are charged to bad debt expense when they are determined to be uncollectible based upon a periodic review of the accounts by management. Accounting principles generally accepted in the United States of America require that the allowance method be used to recognize bad debts; however, the effect of using the direct write-off method is not material to the financial statements for the years ended June 30, 2022 and 2021. Bad debts expensed for the years ended June 30, 2022 and 2021 totaled \$1,825 and \$97, respectively.

**ROANOKE HOUSING DEVELOPMENT CORPORATION
(A NORTH CAROLINA NOT-FOR-PROFIT CORPORATION)**

**NOTES TO FINANCIAL STATEMENTS (CONTINUED)
YEARS ENDED JUNE 30, 2022 AND 2021**

**NOTE 1-ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES
(CONTINUED)**

Property and equipment

Depreciation of property and equipment, stated at cost, is computed primarily using the straight-line method over the estimated useful lives of the assets ranging from 3 - 50 years. Costs that are deemed to increase the useful life of the property or equipment are capitalized. When assets are sold or otherwise disposed of, the costs and related reserves are removed from the accounts, and any resulting gain or loss is included in operations.

The Corporation is subject to the provisions of the Impairment or Disposal of Long-Lived Assets topic of the FASB ASC 360-10. Impairment or Disposal of Long-Lived Assets has no retroactive impact on the Corporation's financial statements. The standard requires impairment losses to be recorded on long-lived assets when indicators of impairment are present and the undiscounted cash flows estimated to be generated by those assets (excluding interest) are less than the carrying amount of the assets. In such cases, the carrying value of assets to be held and used are adjusted to their estimated fair value and assets held for sale are adjusted to their estimated fair value less selling expenses. No impairment losses were recognized during the years ended June 30, 2022 and 2021.

Debt issuance costs

The Corporation is subject to the provisions of the Interest-Imputation of Interest topic of the FASB ASC 835-30 which requires unamortized debt issuance costs to be presented as a reduction of the outstanding debt and the amortization of the debt issuance costs to be presented as a component of interest expense. Generally accepted accounting principles require that the effective yield method be used to amortize debt issuance costs; however, the effect of using the straight-line method is not material to the financial statements for the years ended June 30, 2022 and 2021.

Rental income

Rental income is recognized as rents become due. Rental payments received in advance are deferred until earned. All leases between the Corporation and the residents of the Community are operating leases under FASB ASC 840 and are not within the scope of FASB ASU 2014-09.

Advertising costs

Advertising costs are expensed as incurred and are included in Advertising and Marketing in the Statements of Profit and (Loss) - Changes in Net Assets.

Property taxes

The Corporation has received an exemption from real and personal property taxes.

**ROANOKE HOUSING DEVELOPMENT CORPORATION
(A NORTH CAROLINA NOT-FOR-PROFIT CORPORATION)**

**NOTES TO FINANCIAL STATEMENTS (CONTINUED)
YEARS ENDED JUNE 30, 2022 AND 2021**

**NOTE 1-ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES
(CONTINUED)**

Concentration of credit risk

The Corporation deposits its cash in financial institutions. At times, deposits may exceed federally insured limits. The Corporation has not experienced any losses in such accounts.

The rental income from the HAP Contract totaled \$401,931 or 68% of the net rental income for the year ended June 30, 2022 and is subject to annual appropriations to HUD from Congress.

The Corporation's operations are concentrated in the multifamily real estate market. In addition, the Corporation operates in a heavily regulated environment. The operations of the Corporation are subject to the administrative directives, rules and regulations of federal, state, and local regulatory agencies, including but not limited to, HUD. Such administrative directives, rules and regulations are subject to change by an act of Congress or an administrative change mandated by HUD. Such changes may occur with little notice or inadequate funding to pay the related cost, including the additional administrative burden, if any, to comply with a change.

Use of estimates in the preparation of financial statements

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Fair value

The Corporation is subject to the provisions of the Fair Value Measurement topic of the FASB ASC 820-10, which provides guidance for assets and liabilities which are required to be measured at fair value and requires expanded disclosure for fair value measurement. The standard applies whenever other standards require or permit assets or liabilities to be measured at fair value and does not require any new fair value measurements. The Fair Value Measurement did not have a material impact on the Corporation's financial statements for the years ended June 30, 2022 and 2021.

Accounting for uncertainty in income taxes

The Corporation is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code and state income tax and has been classified as an other than private foundation. Accordingly, no provision for federal and state taxes on revenue and income has been recognized in the accompanying financial statements. Generally, the Federal and State tax returns were subject to examinations from the three years after the later of the original or extended due date or the date filed with the applicable tax authority.

Subsequent events

Management performed an evaluation of the Corporation's activity through August 19, 2022, the audit report date, and has concluded that there are no significant subsequent events requiring disclosure through the date these financial statements were available to be issued.

NOTE 2-MORTGAGE NOTE

On July 13, 2006, the Corporation entered into a mortgage note provided by Walker & Dunlop, Inc. pursuant to the provisions of Section 207, pursuant to Section 223(f) of the National Housing Act, as amended. The original amount of the note was \$2,608,100. The note provides, among other things, for:

- a. a term of 34 years and 11 months ending August 1, 2041;
- b. an interest rate of 5.9%;
- c. monthly principal and interest payments of \$14,696.38;
- d. monthly deposits to a reserve fund for replacing assets of the Community;
- e. monthly deposits to a debt reserve savings escrow; and
- f. an initial deposit of \$619,405 to a repair escrow.

During the years ended June 30, 2022 and 2021, interest expensed was \$120,788 and \$123,964, respectively. At June 30, 2022 and 2021, accrued interest was \$9,940 and \$10,212, respectively.

Annual principal payments for each of the next five years and thereafter are approximately as follows:

2023	\$	58,659
2024		62,204
2025		65,975
2026		69,974
2027		74,216
Thereafter		<u>1,690,618</u>
		2,021,646
Debt issuance costs		<u>(58,116)</u>
		<u>\$ 1,963,530</u>

**NOTES TO FINANCIAL STATEMENTS (CONTINUED)
YEARS ENDED JUNE 30, 2022 AND 2021**

NOTE 2-MORTGAGE NOTE (CONTINUED)

Financing costs of \$124,464 are being amortized over a period of 30 years using the straight-line method. Amortization expense for each of the years ended June 30, 2022 and 2021 totaled \$4,149. At June 30, 2022 and 2021, accumulated amortization was \$66,348 and \$62,199, respectively.

Pursuant to the terms of the Regulatory Agreement, the Corporation is required to make monthly deposits to a debt service escrow in the amount of \$352.26. This fund is under the control of HUD and held by the Mortgagor separate from other HUD required reserves. Disbursements from such fund may only be made after receiving the written consent of the Secretary of HUD.

	<u>2022</u>	<u>2021</u>
Balance, beginning	\$ 51,867	\$ 47,634
Deposits	4,227	4,227
Interest income	<u>8</u>	<u>6</u>
Balance, ending	<u>\$ 56,102</u>	<u>\$ 51,867</u>

The liability of the Corporation under the mortgage note is limited to the underlying value of the property and equipment collateral in addition to other amounts on deposit.

NOTE 3-CASH DISTRIBUTIONS, RESIDUAL RECEIPTS, RESERVE FOR REPLACEMENTS FUND AND LIQUIDITY AND AVAILABILITY OF FINANCIAL ASSETS

Pursuant to the terms of the Regulatory Agreement, no cash distributions may be made to non-profit owners, nor can they incur obligations on behalf of the Community, to themselves or any officers, directors, stockholders, trustees, partners, beneficiaries under a trust, or any of their nominees without prior written approval of HUD. Residual receipts ("Surplus Cash") as defined by HUD, existing at the end of the fiscal year must be deposited in a residual receipts fund in the name of the Corporation. The residual receipts fund is an asset of the Corporation held under HUD control. Withdrawals from the residual receipts fund may only be made with the approval of HUD for Community purposes, including reduction of housing assistance payments. Upon termination of the Regulatory Agreement, any excess funds in residual receipts must be remitted to HUD.

During the years ended June 30, 2022 and 2021, no amount was required to be deposited, and no amount was withdrawn from the residual receipts fund. At June 30, 2022 and 2021, there was a balance of \$16,332 and \$16,327 in the residual receipts fund, respectively.

In accordance with the HAP Contract, if HUD determines at any time that property funds are more than the amount needed for property operations, reserve requirements and permitted distributions, HUD may require excess to be placed in an account to be used to reduce HAP payments or for other property purposes. Upon termination of the Contract, any excess funds must be remitted to HUD.

**ROANOKE HOUSING DEVELOPMENT CORPORATION
(A NORTH CAROLINA NOT-FOR-PROFIT CORPORATION)**

**NOTES TO FINANCIAL STATEMENTS (CONTINUED)
YEARS ENDED JUNE 30, 2022 AND 2021**

NOTE 3-CASH DISTRIBUTIONS, RESIDUAL RECEIPTS, RESERVE FOR REPLACEMENTS FUND AND LIQUIDITY AND AVAILABILITY OF FINANCIAL ASSETS (CONTINUED)

Pursuant to the terms of the Regulatory Agreement, the Corporation is required to make monthly deposits to the reserve for replacements fund. This fund is under the control of HUD. Disbursements from such fund may only be made for the purpose of effecting replacement of structural elements and mechanical equipment of the Community and after receiving the written consent of the Secretary of HUD. At June 30, 2022 and 2021, the balance in the reserve for replacements account was \$596,535 and \$571,032, respectively.

Liquidity and availability of financial assets

The Corporation's liquidity and availability of cash flow is limited to surplus cash as defined by HUD. The Corporation manages its liquidity by completing annual operating budgets that provide sufficient funds for general expenditures in meeting liabilities and other obligations as they become due and maintains a reserve for replacements and residual receipts that may be drawn upon as needed during the year to manage cash flow and make necessary repairs to the Community with approval from HUD. The Corporation's cash and cash equivalents is available within one year of the statement of financial position date to meet cash needs for general expenditures.

NOTE 4-MANAGEMENT AGREEMENT

The Community is managed by Community Management Corporation (the "Agent"). In accordance with the HUD-approved management agent certification, the Corporation pays an annual management fee of 6.27% of residential and miscellaneous income collected. During the years ended June 30, 2022 and 2021, the total management fees earned were \$37,053 and \$36,471, respectively. At June 30, 2022 and 2021, \$3,171 and \$3,056 remained payable, respectively.

In accordance with HUD regulations, the Agent is also entitled to be reimbursed for actual costs incurred for front-line management activities performed at the central office (as these activities are defined by HUD). The Agent has determined that the costs for these services are at or below the market for comparable services, and that the costs on a centralized basis paid are at or below the cost to provide comparable services on-site.

Due to economic uncertainty caused by the spread of a novel strain of coronavirus ("COVID-19"), the Agent applied for and received a loan through the Paycheck Protection Program (the "PPP Loan") with the U.S. Small Business Administration ("SBA"), as authorized in the Coronavirus Aid, Relief, and Economic Security Act ("Cares Act"). During prior years, the Agent allocated a portion of the PPP Loan to the Corporation related to the payroll and related costs incurred by the Corporation, totaling \$12,203, which was included in Accrued Payroll and Payroll Taxes Payable on the Statements of Financial Position. The Agent applied for forgiveness of the PPP Loan, which was granted by the SBA effective May 18, 2021. As the PPP Loan has been forgiven, the Agent considers the payroll costs associated with the PPP Loan satisfied and the corresponding payable and receivable recorded by the Corporation were eliminated during the year ended June 30, 2021.

**ROANOKE HOUSING DEVELOPMENT CORPORATION
(A NORTH CAROLINA NOT-FOR-PROFIT CORPORATION)**

**NOTES TO FINANCIAL STATEMENTS (CONTINUED)
YEARS ENDED JUNE 30, 2022 AND 2021**

NOTE 5-COMMITMENTS AND CONTINGENCIES

Residual receipts fund

In accordance with the Regulatory Agreement, if HUD determines at any time that Community funds are more than the amount needed for Community operations, reserve requirements and permitted distributions, HUD may require excess to be placed in an account to be used to reduce HAP payments or for other Community purposes. Upon termination of the HAP Contract, any excess funds must be remitted to HUD. Residual receipt fund balances in excess of \$250 per unit must be applied on a monthly basis to reduce the monthly housing assistance payments, and continue until the residual receipts fund reaches the retained balance of \$250 per unit. The excess of \$250 per unit is reflected in residual receipts available for recapture on the Statements of Financial Position. During the years ended June 30, 2022 and 2021, there was no loss due to recapture of residual receipts. At June 30, 2022 and 2021, \$18 remains available for recapture.

Economic conditions

In December 2019, COVID-19 surfaced. The spread of COVID-19 around the world has caused significant volatility in U.S. and international markets. There is significant uncertainty around the breadth and duration of business disruptions related to COVID-19, as well as its impact on the U.S. and international economies, and, as such, the Corporation is unable to determine if it will have a material impact to its operations.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING
AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL
STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

To the Board of Directors of
Roanoke Housing Development Corporation
(A North Carolina Not-For-Profit Corporation)

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Roanoke Housing Development Corporation, which comprise the statement of financial position as of June 30, 2022, and the related statements of profit and (loss) - changes in net assets, changes in net assets, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated August 19, 2022.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered Roanoke Housing Development Corporation's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Roanoke Housing Development Corporation's internal control. Accordingly, we do not express an opinion on the effectiveness of Roanoke Housing Development Corporation's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements, on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of Roanoke Housing Development Corporation's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

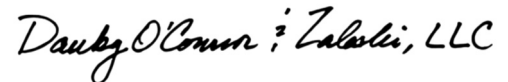

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether Roanoke Housing Development Corporation's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Roanoke Housing Development Corporation's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Roanoke Housing Development Corporation's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

To the Board of Directors of
Roanoke Housing Development Corporation
(A North Carolina Not-For-Profit Corporation)

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited Roanoke Housing Development Corporation's compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of Roanoke Housing Development Corporation's major federal programs for the year ended June 30, 2022. Roanoke Housing Development Corporation's major federal programs are identified in the summary of auditor's results section of the accompanying summary of auditor's results.

In our opinion, Roanoke Housing Development Corporation complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2022.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200 *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* ("Uniform Guidance"), and the Guide. Our responsibilities under those standards, the Uniform Guidance, and the Guide are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of Roanoke Housing Development Corporation and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major HUD program. Our audit does not provide a legal determination of Roanoke Housing Development Corporation's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules and provisions of contracts or grant agreements applicable to Roanoke Housing Development Corporation's federal programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on Roanoke Housing Development Corporation's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance, and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, the Uniform Guidance, and the Guide will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above are considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about Roanoke Housing Development Corporation's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, the Uniform Guidance, and the Guide, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding Roanoke Housing Development Corporation's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of Roanoke Housing Development Corporation's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances, and to test and report on internal control over compliance in accordance with the Uniform Guidance and the Guide, but not for the purpose of expressing an opinion on the effectiveness of Roanoke Housing Development Corporation's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Report on Internal Control over Compliance (continued)

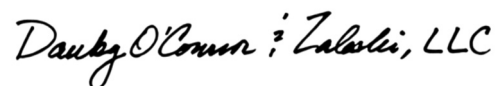

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purposes of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

Purpose of this Report

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
