

## NeighborhoodLIFT Program Map – Raleigh Durham, NC Durham and Wake County Eligible Geography

### DURHAM COUNTY

Navigate to the Durham County Tax Assessor's Tax Administration Record Search web page via the following link: <http://property.spatalest.com/nc/durham/>

1. Enter the property address in the "Owner/Address/Parcel/PIN" search field at the top of the page. (Omit St., Ave. etc.) Click the green 'Search' button to the right.
2. If the property is found in the Durham County database, one or more records will display below the 'Select the Subject Property' bar. Scroll down to confirm the property is displayed in the results list. The property is eligible for NeighborhoodLIFT financing.
3. Click on the 'View Property' link located to the right of the record for more information about the property. Data points include ownership, taxes, property values, photos and maps in addition to other property details.
4. If the property cannot be found in the Durham County database, the message: "0 Records Found Matching your criteria, showing first 300 results only" will display below the 'Select the Subject Property' bar. The property is NOT eligible for NeighborhoodLIFT financing.

## NeighborhoodLIFT Program Map – Raleigh Durham, NC Durham and Wake County Eligible Geography

### WAKE COUNTY

Navigate to the Wake County Real Estate Data Property Search web page via the following link:

<http://services.wakegov.com/realestate/>

1. Enter the property address in the “Search by Location Address” search fields in the lower left-hand box. (Omit St., Ave. etc.) Click the red ‘Go!’ button below the fields.
2. If the property is found in the Wake County database, the ‘Property Results’ page opens and one or more records will display on the page. Scroll down to confirm the property is displayed in the results list. The property is eligible for NeighborhoodLIFT financing.
3. Click on the blue ‘Account’ link located on the left-hand side of the record for more information about the property. Data points include ownership, taxes, property values, photos and maps in addition to other property details.
4. If the property cannot be found in the Wake County database, the message: “No Matching Records Found” will display on the Property Results web page. The property is NOT eligible for NeighborhoodLIFT financing.
