

RESIDENT RESILIENCE FUND

when bricks and mortar are not enough

SPONSORSHIP OPPORTUNITIES

February 17, 2020

Dear Friend:

Gregg Warren, DHIC's long-time President, is retiring at the end of March after 34 years of service. In honor of his extraordinary contributions to the Triangle and beyond, DHIC's Board and staff will celebrate Gregg and his tenure on **Thursday, March 19, 2020, from 6:00 p.m. – 9:00 p.m., at the Contemporary Art Museum (CAM) in Raleigh.** The evening will include a short program, heavy hors d'oeuvres, fun, conversation, and dancing. **We are inviting you to attend** along with the many other friends, supporters, volunteers and colleagues that have shared Gregg's journey and commitment to creating quality, safe, and affordable housing opportunities in our communities.

At the celebration, we will formally announce our new **Resident Resilience Fund**, established by the Board in Gregg's honor, to benefit the more than 4,100 residents who call a DHIC community home. While building more affordable, safe and secure places to live is critical, bricks and mortar are not enough to transform lives and communities. Our residents need resources to weather short-term financial crises, to access healthy food and exercise, to support their kids to succeed in school, to make smart financial decisions, and to sustain their housing and quality of life.

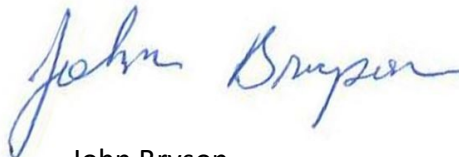

We invite you, as a valued friend to DHIC and to Gregg, to join us in leveraging our housing investments by making a significant donation to establish the Resident Resilience Fund, both in honor of Gregg and the residents DHIC works so hard to serve each day. All proceeds will be used to support the Resident Resilience Fund and all sponsors will be acknowledged at the celebration event on March 19th.

Enclosed is an outline of sponsor levels and benefits, along with a sponsor commitment form. Please expect a follow-up call from a member of DHIC's Board or staff in the next week. You may also contact Yvette Holmes, VP of Resource Development & Partnerships at yvette@dhic.org or (919) 832-4359 should you have questions or need additional information about ways to support the event and the Resident Resilience Fund.

Thank you for your honoring Gregg's leadership and the work of DHIC. We look forward to your support and to seeing you on March 19th to celebrate this meaningful occasion and hallmark for DHIC.
